

YAHYA ABDUL HAKEEM KHAN

+966 53 788 0026 | fastpremierleague@gmail.com | 1 Constitution Avenue, Islamabad

CAREER OBJECTIVE

Aspiring Data Science professional with a strong foundation in machine learning and statistical analysis, seeking opportunities to apply analytical skills in sports analytics and data-driven decision-making. Particularly interested in leveraging data science techniques to extract meaningful insights from football data and drive performance optimization.

EDUCATION

Bachelor of Science in Data Science FAST National University of Computer and Emerging Sciences, Islamabad
Expected Graduation: June 2027

SKILLS

Programming & Tools: Python, SQL, Machine Learning, Artificial Intelligence Technical: Data Analysis, Statistical Modeling, Data Visualization, Database Management Soft Skills: Teamwork, Leadership, Public Speaking, Problem-Solving, Communication

EXPERIENCE

Computer Vision Intern Hazen.ai [Jun 2025] – [Sep 2025]

- Developed and implemented computer vision algorithms to analyze visual data and extract actionable insights
- Collaborated with cross-functional teams to optimize model performance and accuracy
- Applied machine learning techniques to solve real-world problems in the AI domain

PROJECTS

Football Analytics Dashboard Jan 2025

- Designed and developed a data-driven dashboard to analyze player performance metrics and team statistics
- Utilized Python and SQL for data extraction, cleaning, and visualization
- Implemented predictive models to forecast match outcomes and player performance trends

ACHIEVEMENTS & EXTRACURRICULAR ACTIVITIES

- Active participant in university data science competitions and hackathons
- General Secretary at FAST Society of Arts
- Founding President of FAST Premier League
