

**Name:**

[Laiba Iftikhar]

**Contact Information:**

Address: [House 24, Street 130, G-13/4, Islamabad]

Phone: [0335-0232195]

Email: [i230099@isb.nu.edu.pk]

LinkedIn Profile: [www.linkedin.com/in/laiba-iftikhar-a21169296]

**Career Objective**

I'm driven to specialize in Artificial Intelligence, particularly in defense and intelligent systems, where I can merge logic with creativity to build meaningful solutions. My strength lies in my persistence. I stay grounded in detail, think critically, and don't stop until I fully understand and perfect what I'm learning.

**Education**

- BS Artificial Intelligence – NUCES FAST University, Islamabad (2023–2027)  
Relevant Courses: Artificial Intelligence, machine learning, Operating systems  
GPA: 2.65/4.0
- ICS (computer science) – PAEC Education Centre Jauhrabad (2021-2023)

**Skills**

- Python
- Machine Learning
- HTML/CSS
- French language B2 level
- Problem Solving
- Strong interest in research, critical thinking, and real-world problem-solving

**Experience**

1. Frontend developer – Freelancing (June 2025 – Aug 2025)
  - Collaborated with the client to align the site's layout, color scheme, and content with brand goals.
  - Ensured smooth navigation, performance, and cross-device compatibility.
  - Gained hands-on experience in **UI/UX design**, client communication, and end-to-end project execution.

**Achievements / Extracurricular Activities**

- Silver Medal and 1<sup>st</sup> position in district in CEATS English linguistics competition – 2017
- Hosted baitbaazi event in Nescon 2025
