Address: [House # 1, Street # 4, F-7/3, Islamabad, Pakistan]

Career Objective / Profile:

I am a third-year undergraduate studying data science at FAST NUCES in Islamabad, and I have a deep interest in artificial intelligence and machine learning. My goal is to use data-driven methods to create intelligent systems and extract valuable information from intricate data. I'm constantly excited to investigate fresh avenues for AI and data science research.

Education:

Bachelor of Science in Data Science, National University of Computer and Emerging Sciences (FAST-NUCES), Islamabad, June 2027

Relevant Courses: Intro to Data Science, Database Systems, Advanced Statistics

GPA: 3.84 / 4.00

Skills:

- Programming Languages: Python, C++, VB, C#, MASM x86
- Web Development: HTML, CSS, JavaScript
- Tools: Git, VS Code, VS Studio, Google Colab
- Data Analysis and Visualization
- Languages: English, Urdu

Experience / Internships:

1. Data Annotator, Turing, Jun 2025 – Aug 2025
 - Contributed to Anthropic's agentic AI project by creating and refining high-quality training data.
 - Ensured data accuracy and consistency through fact-checking and structured content summarization.
2. Fundraising Intern, Teach For Pakistan, Jul 2022 – Aug 2022
 - Led a fundraising campaign supporting education for over 1,500 underprivileged students across Pakistan.
 - Collaborated with mentors and team members to design and execute effective awareness and donation strategies.

Projects / Research:

1. Energy Consumption in London (Implemented with Python), June 2025
 - Analyzed 3.5M+ records from the Smart Meters in London dataset to predict energy usage. Used Python to preprocess data and compared models, with Random Forest and Gradient Boosting delivering the best results.
2. CourseBinge Web Page Design, November 2023
 - Developed a responsive web page for an online courses platform using HTML, CSS, and JavaScript. Focused on modern design, interactivity, and user-friendly navigation to enhance front-end functionality and user experience.

Achievements / Extracurricular Activities:

- Dean's Honor List — Fall 2023, Spring 2024, Fall 2024, Spring 2025
- Gold Medal (Semester 4) — 2025
- Gold Medal (Semester 3) — 2025
- Silver Medal (Semester 1) — 2024
- 100% Merit Scholarship for AS/A-Level — 2021
- Competitive College Club (CCC) Member — 2022
