Ahmed Noorzai

Email: 22i0469@lhr.nu.edu.pk | Phone: 0301-2345678 | Address: House #12, Block H, Johar Town, Lahore

Career Objective

Motivated Computer Science undergraduate with a strong foundation in programming and systems design. Seeking to apply technical knowledge and analytical skills to develop efficient and scalable software solutions.

Education

Bachelor of Science in Computer Science, National University of Computer and Emerging Sciences (FAST-NUCES), Islamabad — Expected June 2026
GPA: 3.70 / 4.00

Skills

C, C++, Python, HTML, CSS, JavaScript, MySQL, Linux, Git, Problem Solving, Team Collaboration

Experience / Internships

Software Development Intern, CodeBase Technologies, Lahore — July 2024 – September 2024
• Assisted in developing and testing microservices for banking automation systems.
• Improved performance of backend APIs by 15% through optimized SQL queries.

Projects / Research

Operating System Process Hierarchy Simulator — C++
• Implemented a five-level process tree using fork(), exec(), and wait() system calls.
• Demonstrated inter-process communication and synchronization.

Achievements / Extracurricular Activities

• Dean's Honor List — 2023, 2024
• Member, FAST Computing Society (2023–Present)
• Volunteer, Tech Literacy Drive — 2024
